

Employment Reference

This is to certify that **Sebastian Östlund** was employed by **Imitera AB** during the period **2018–2026** in the role of **CTO and Senior Developer**.

The employment was a permanent full-time position.

During his employment, Sebastian held overall responsibility for the company's technical strategy, product development, and system architecture. His duties included leading technical projects, developing and maintaining digital products, and making key technical decisions while overseeing development processes.

Sebastian was also deeply involved in hands-on development work and possesses a very high level of technical expertise in programming and software engineering. He played a central role in analyzing and solving complex technical challenges, particularly in situations where advanced problem-solving skills and specialist knowledge were critical to the successful execution and progress of projects.

Furthermore, Sebastian worked closely with both creative and technical teams in the planning, implementation, and continued development of projects within immersive media and digital production.

Sebastian performed his duties with excellent results and consistently demonstrated a strong sense of responsibility, a high degree of independence, and excellent teamwork skills. He worked professionally and with great dedication, taking significant responsibility for both technical solutions and the overall development of projects.

Through his combination of technical expertise, analytical ability, and project experience, Sebastian was a highly valued and appreciated member of the team at Imitera AB.

We give Sebastian our highest recommendations and wish him every success in his future endeavors.

Location and Date: Kullavik 2026-06-01
